Customer Details	WoodGreen is one of the largest social service agencies in Toronto, delivering integrated programs from physical, mental health and disability services to affordable housing and pathways to employment.
Project Type	Dynamics on Premise to Cloud Migration Assessment
Deal Size	60 users of Dynamics 365 Sales.
Industry	Non-Profit
Problem Solved	WoodGreen is merging with another GTA-based Social Service agency called “JobStart”. This agency has a legacy on-prem Dynamics 2011 platform. JobStart’s data needs to be migrated to WoodGreen’s existing Dynamics 365 platform by March 2022.
